SHOPSEIF

ICONIC PATTERNS, REIMAGINED IN HANDWOVEN ART

At ShopSeif, we believe in storytelling through texture. This summer, we bring you a collection of handwoven kilim rugs that echo the heart of Egyptian craftsmanship and the refined soul of global elegance.

Inspired by our most beloved wallpapers and tufted pieces, each rug in this collection is a reinterpretation of our signature designs, translated into the flatwoven poetry of kilim.

Earthy, airy, timeless. Designed for spaces that breathe.

VICTORUM KILIM RUG

VICTORUM KILIM RUG

Rooted in the ancient symbolism of the palm branch, a timeless emblem of victory. Victorum captures the spirit of triumph in woven form. FLUKE KILIM RUG

Inspired by the journey of a seashell, from ocean depths to sunlit shores.

Fluke captures nature's quiet poetry in motion.

Its fluid, ink-blot pattern evokes the soft ridges of shell surfaces, balancing between abstract art and grounded texture.

With its gentle rhythm and oversized scale, Fluke brings a sense of movement and ease to your space, adding depth without overwhelming, softness without silence.

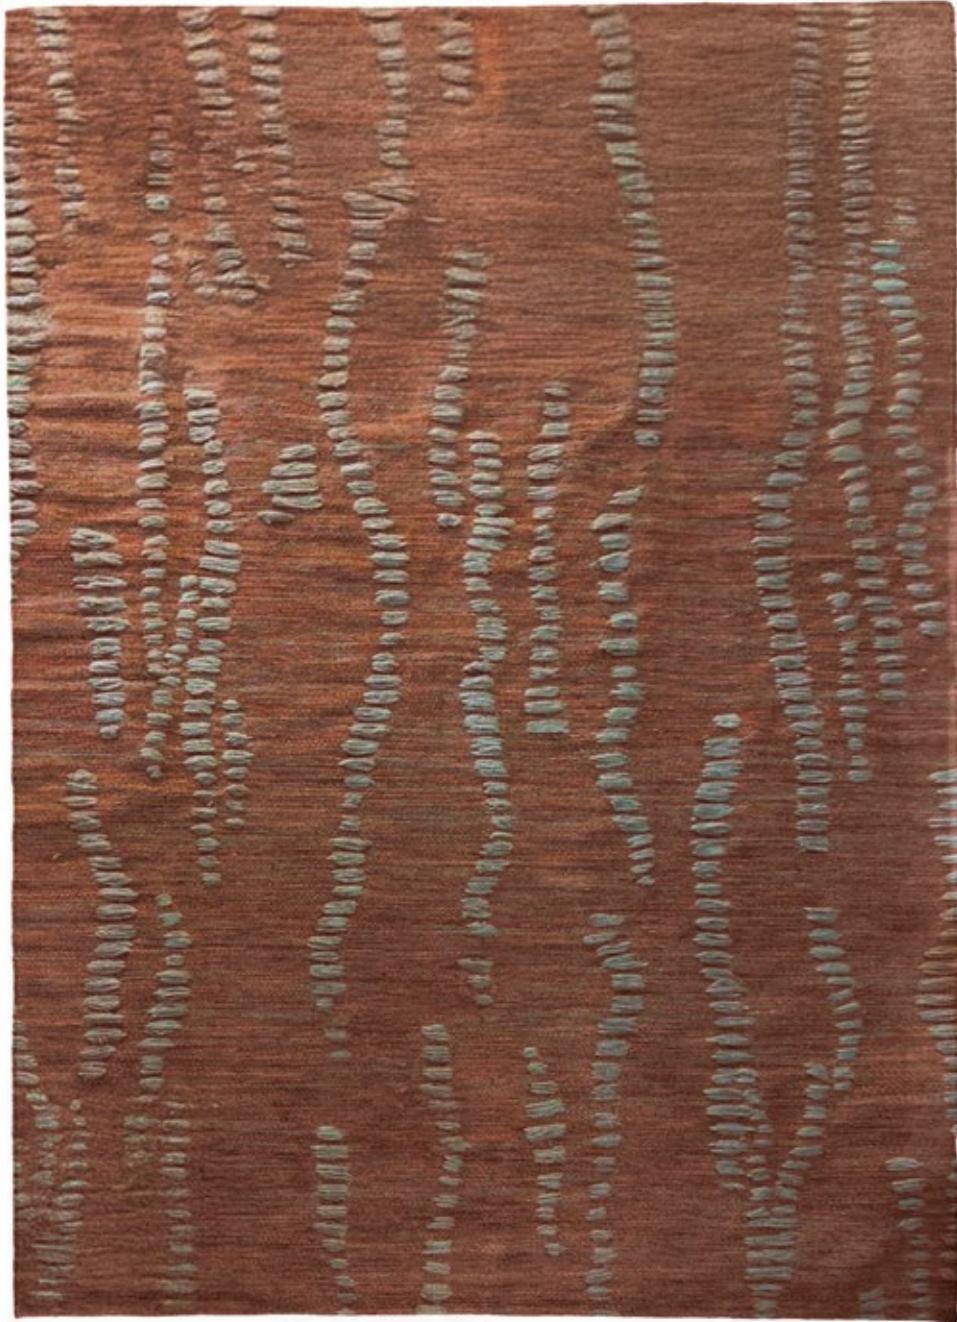

VISION KILIM RUG

Rose Fog/Blushed Terracotta Size: 230 x160 cm

VISION KILIM RUG

Inspired by the quiet strength of a seahorse, a symbol of intuition and resilience. Vision reflects clarity in both form and spirit. Its organic geometry rests on a richly textured base, echoing the grooved armor of this ocean wanderer and the unseen depths of inner perspective. A grounding yet ethereal piece, Vision brings stillness and awareness into your space, offering structure with soul, and pattern with presence.

BARUK KILIM RUG

Earth Olive/Army Green Size: 230 x160 cm

BARK KILIM RUG

Inspired by the protective layers of ancient trees, Bark pays homage to nature's quiet resilience.
